Let $\pi\colon E \twoheadrightarrow M$ be a foliated bundle. Also $M \twoheadleftarrow E$, $E \Big\Vert\!\!\downarrow M$, $M \Big\Vert\!\!\uparrow E$, and in subscripts $A_{E \twoheadrightarrow M}$.

$$E \overset{\pi}{\twoheadrightarrow} M, \qquad E \underset{\text{proj}}{\overset{\pi}{\twoheadrightarrow}} M, \qquad M \overset{\pi}{\twoheadleftarrow} E$$

$$E \twoheadrightarrow M,\ E \Big\Vert\!\!\downarrow M$$
